PCP-Specialist Forum September 2024

Virtually on **Friday, September 13th, 2024 7:30 - 9:00 AM** via **ZOOM**

Improved Patient Care and Lower Costs Through Better Primary Care-Specialist Alignment

Please join our discussion on improving collaboration and communication between primary care and specialty groups across systems of care in Rhode Island.

Learn about and Discuss:

- The successful e-consults and e-referrals program covered by most payers
- Efforts to improve PCP-specialist alignment that increase high value visits and reduced costs

Help make this a meaningful discussion by joining and bring a colleague too!

Panel discussion will feature Paul Larson, MD, Joseph Diaz, MD, Marty Kerzer, MD, Cathy Newman, Marilyn J. Weigner, MD, Emily Rowland, MD, Kevin Bail, MD, and Teresa Slomka, MD
