

ADVANCING INTEGRATED HEALTHCARE

Clinical Strategy 2019-2020 Priorities

Care Transformation Collaborative of R.I.

CTC-RI CLINICAL STRATEGY COMMITTEE MEETING
SEPTEMBER 20, 2019

Current Work

- Are these the right areas?
- What else might we consider?
- What should we prioritize?

Current Areas of Work

- Improve primary care/specialist collaboration:
 - ACP High-Value Care Coordination
- Reduce Low-Value Care:
 - “Drop the Pre-op”?
 - Other areas LVC?
- Improve Clinician (and Care Team) Well-being
 - RIDOH TOC/COC work group
 - Pharmacy auto-refill?
 - Pharmacy real-time benefits?

Other Potential Areas of Work?

- Safe, Effective, Efficient Prescribing (SEE)
- Support primary care capitation efforts of OHIC?
- Community Health Team Sustainability?
- Phase II primary care/specialist collaboration?
- Other?
