

# *Redefining Recovery, What Matters Most*

Panelists:            Lisa McManaman, RN  
                          Catherine Alexander, DNP, MPH, RN  
                          Francine Knowles, APRN, CNS, MSN

Moderator:            Michael Beauregard

# EVIDENCE-BASED TREATMENT

Recovery works.

Prescribe safe with  
Naloxone

Get qualified to  
prescribe  
buprenorphine

Get your facility  
certified as a Center  
of Excellence

Train to be registered  
as a Vivitrol provider

Request a recovery  
coach for patients  
with SUD

## EDUCATION

Know the treatment options.

Learn the guidelines  
for safe prescribing

Support patients in  
MAT with  
SAHMSA's App

# ADVOCACY

Push for change.
