

Rhode Island Psychiatry Resource Networks (PRN)

June 6, 2019

PCMH-KIDS Stakeholder Committee

Maternal Psychiatry Resource Network (MomsPRN) Overview

New collaboration between the RIDOH and Women & Infants Hospital.

- Modeled after PediPRN & funded by HRSA.
- Focused on practices seeing pregnant and post-partum women.
- Goal is to promote universal screening, referral, and treatment for behavioral health and substance use disorders.

MomsPRN Supports & Services

The Center for Women's Behavioral Health at Women and Infants Hospital will provide the following staffing and services for MomsPRN:
