PCMH Kids Cohort 3 Revised Incentive Plan (2020-2021)

Customer Experience Survey

- Defer CAHPS survey for 2020-21; Practices will work with your system of care around implementing a customer experience survey consistent with NCQA PCMH requirements;
- Practices will obtain patient/family input by outreaching to small sample of families who might find it difficult to come into the practice based on medical or social health related needs. Practices are asked to use the information obtained from small sample of parents to help inform your practice as develop your plan to assist children/families with getting needed immunizations;

Clinical Quality

- Consistent with OHIC 2020-21 guidelines, practices will be asked to “report only” on the OHIC defined clinical quality measures (BMI with counseling, Developmental Screening, Well Child Adolescent and Lead Screening*): report due to OHIC 10/15/20; report to CTC/PCMH KIDS quarterly starting 7/15/20;
- Report on M-M-R performance (4-6-year-old) using KIDS NET data:
- Target**:** achieve 90% of M-M-R performance comparing 1/1/19-12/31/19 to 1/1/20-12/31/20
